## Ushering in a New Era of Online Deal Sourcing

- Filter, browse, and find tens of thousands of companies, members, deals, buy-side mandates and portfolio companies
- Membership exclusively limited to qualified M&A professionals

Intralinks DealNexus™ is your nexus to the global M&A industry. Online deal sourcing pioneers MergerID (Europe, Asia) and PE-Nexus (North America) merged, creating the largest, most vibrant deal sourcing platform in existence. Intralinks DealNexus ushers in a new era of intelligent, real-time deal marketing, sourcing and professional networking for the consummate M&A professional.

### Key Benefits

#### Global Scale

- More firms. More members. More deals—and more security—across six continents.

#### Work Smarter

- Instantly identify and discretely engage the right strategic and financial buyers for your deals, or let Intralinks DealNexus bring them to you.

#### Get More Deal Flow

- Broadly or narrowly customize your investment preferences to receive exactly the kinds of deals you are looking for.

#### Build a Nexus

- Easily browse, communicate, and connect with thousands of M&A professionals from around the world.

#### Stay Secure

- Backed by Intralinks — the leading, global technology provider of secure, compliant collaboration solutions.
